REPORT OF DIRECTOR AND SCHOOL IMPROVEMENT COUNCIL

The G. Frank Russell Career Center is a multidistrict center that serves Greenwood School Districts 50, 51 and 52. We have twenty three certified staff members that offer twenty different programs and taught over two thousand students in the 2011-2012 school year.

We had one hundred and sixty three program completers this year and sixty two Work Ethic Certificate Recipients. At the State SkillUSA competition we had two third place finishers, four second place finishers and two first place winners that will compete this summer at the National Leadership and Skills Conference. We also participated in service projects with the March of Dimes, Relay for Life, Salvation Army and the United Way.

In the 2012-2013 year we look forward to adding sixteen Dual Enrollment opportunities for our students on our campus. We will also add the Horticulture and Mechatronics programs, which will be housed at Piedmont Technical College.

We believe all students have the right to learn in a safe, comfortable and disciplined environment. We commit ourselves to student success and believe every student should have an opportunity to fulfill his or her potential. We are proud of our school, our community and we look forward to the future.
